Affiliated Celebrates 20th Anniversary as Leading Central Ohio Technology Solution Provider

Columbus, Ohio, January 31, 2013 – [Affiliated](#), a Dublin, Ohio-based technology and professional services company, recently celebrated its 20th anniversary in business. Over the past 20 years Affiliated has grown to become a leading technology services company with 49 employees serving hundreds of businesses throughout the Central Ohio area.

"Since the beginning, our underlining mission and vision has not changed. Our focus has always been to deliver success for our clients by aligning their IT strategies with their business goals and ensuring that they get the best return on those investments," said Mike Moran, President of Affiliated.

Affiliated's business is diverse and offers a variety of technology solutions to meet the needs of small, mid-market, and divisions of Fortune 500 companies. The company specializes in providing CRM (Customer Relationship Management), IT infrastructure, Managed Services, Management Consulting, and Business Intelligence solutions, and also delivers custom application development services using both Microsoft and IBM technologies.

Affiliated enjoys strong working relationships with industry leading technology partners including Microsoft, VMware and Dell. The firm is a Microsoft Partner, with Gold competencies in Customer Relationship Management (CRM) and Midmarket Solutions, a VMware Enterprise Solution Partner and a Dell Preferred Partner.

Affiliated also puts a high value on community service throughout Columbus and Central Ohio including supporting the following: Dublin Community Service Day, Dublin and Mid-Ohio Food Pantry, Support for Military Families, and the Welcome Warehouse for Family Support.

"When you hit a milestone like this it's nice to reflect and appreciate everything that has contributed to our success. Much of it can be attributed to our talented staff and their dedication and commitment over the years. I am truly thankful to them and excited about what the next 20 years will bring for us," he added.

About Affiliated

Since 1993, Affiliated has been helping growing and mid-market organizations throughout Ohio to identify, evaluate, and implement technology solutions and resources that improve operational efficiency and increase revenue. As a Microsoft Partner, with Gold competencies in Customer Relationship Management (CRM) and Midmarket Solutions, and VMware Partner, Affiliated specializes in providing complete technology solutions and services to organizations in multiple industries including healthcare, distribution/logistics, manufacturing, professional services and not-for-profit organizations.
